SKY Perfect JSAT Corporation

SKY Perfect JSAT signed Launch Service Contract for JCSAT-15 satellite with Arianespace

SKY Perfect JSAT Corporation (Head Office: Minato-ku, Tokyo; Representative Director, President & Chief Executive Officer: Shinji Takada) has concluded a contract for a launch service for its JCSAT-15 communications satellite with Arianespace (Head Office: France; Chairman and CEO: Stephane Israel).

JCSAT-15 is scheduled to launch from Guiana Space Centre in Guiana, an overseas territory of France located in South America, on an Ariane-5 rocket in 2016. The satellite will serve as a successor to the N-SAT-110 satellite, which is located at a longitude of 110 degrees East and is used for broadcasting of the multichannel pay TV service SKY PerfecTV!.

With this launch, SKY Perfect JSAT will strive to continue stable broadcasts and to enhance and improve its services in the future.
