SKY Perfect JSAT Corporation

JCSAT-16 Launch Schedule Update

SKY Perfect JSAT Corporation (Head Office: Minato-ku, Tokyo; Representative Director, President & Chief Executive Officer: Shinji Takada; “SKY Perfect JSAT”) announces the launch schedule for its JCSAT-16 communications satellite.

JCSAT-16 will function as an in-orbit back-up satellite to the existing services in the Ku- and Ka-band, enabling the provision of more stable satellite services and further strengthening the foundations of SKY Perfect JSAT Corporation’s business.

SKY Perfect JSAT continues to provide high-quality satellite services and increase flexibility to reinforce our growing fleet as needed, ensuring the highest level of reliability for our customers.
